Re: *In re Application of AT&T Wireless f/k/a Cingular Wireless*, 09 Civ. 7072, related
to *United States v. Am. Soc'y of Composers, Authors & Publishers*, 41 Civ. 1395

Dear Judge Cote:

We represent AT&T Mobility in the above-referenced matter. We write with ASCAP's consent to request a short extension of time to finalize the agreements implementing the binding term sheet that settled this proceeding.

On February 18, 2011, counsel for ASCAP, with AT&T's consent, reported that "[d]uring the course of preparing final drafts of the agreements, a few disputed issues emerged, which the parties are diligently trying to work through but have not yet fully resolved." The parties therefore requested an extension until March 7, 2011 to finalize the agreements and submit the stipulation of dismissal in this matter, a request that Your Honor granted on February 25.

We are pleased to report that the parties have completed the process of preparing final drafts of the agreements but while ASCAP is prepared to obtain signatures this week, AT&T requires some additional time. The parties therefore respectfully request an extension until March 23, 2011 to finalize the agreements and submit the stipulation of dismissal in this matter.

We thank the Court for its attention to this matter.

Respectfully submitted,
